# How to search on SALT

---

- ❖ Option 1: Type a keyword into the home page's search bar.

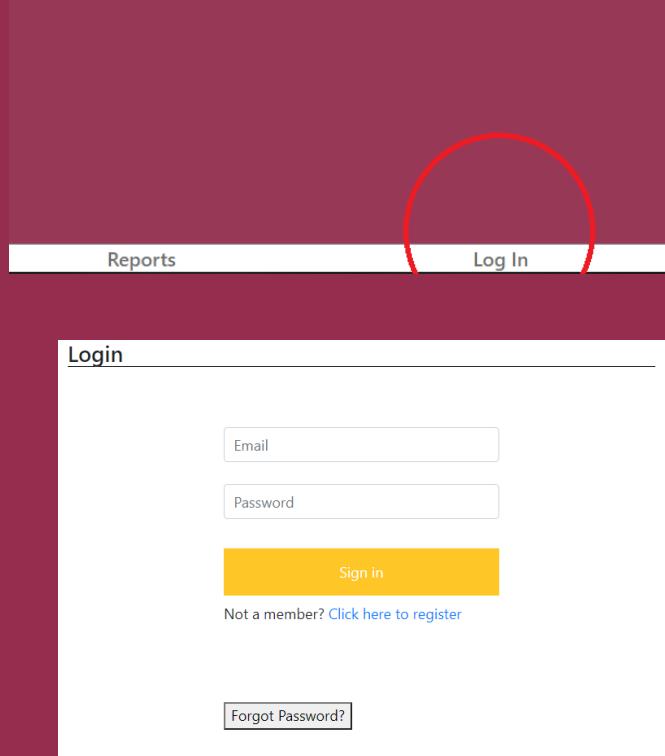

You can either click on the word that populates beneath the search bar.

- ❖ Option 2: Press the “Browse” button on the bottom of the home page. You will then be given the opportunity to search through an alphabetized list of all the words in the library.

# How to sign up

- ❖ Click the “Log In” button on the bottom right-hand corner of the home page. This will direct you to another page.
- ❖ Click the “register” link under the big yellow “Sign In” button. This will direct you to a registration form.
- ❖ You will be asked to provide your first name, your last name, your ASU email as well as a password; it does not have to be the same password you use to sign into your ASU email account. Once you have submitted your registration form, you will be asked to verify your account.
- ❖ A message will be sent to your ASU account within the next five minutes. When it arrives, click the link in the email and your SALT account will be verified instantaneously.

The image shows a screenshot of a web page with a dark red header. The header contains the word "Reports" and a "Log In" button. Below the header is a "Login" section with fields for "Email" and "Password", and a yellow "Sign in" button. At the bottom left of the login section, there is a link "Not a member? Click here to register". At the bottom right, there is a "Forgot Password?" link. A red circle highlights the "Log In" button in the header.

# How to contribute a word to the library

- ❖ Option 1: If you are signed in, search for the word you would like to add in the search bar on the home page. If the word can not be found, the system will ask you if you would like to add that word to the library. Say yes, and you will be asked to fill in a submission form. Be prepared to provide the word, accompanied by a definition, an article, a YouTube video and a book related to it. Once you submit the word, it will need to be approved by an administrator.
- ❖ Option 2: If you are signed in, click on the pop-up menu on the top-left side of the home page, then click the “Add new term” button. You will then be asked to fill in the same submission form from Option 1.

The screenshot shows the SALT (Security Awareness Library Tool) website. At the top, there is a logo featuring a shield with a stylized figure and the text "CyberSecurity Devils". To the right of the logo, the word "SALT" is written in large white letters, with "Security Awareness Library Tool" in smaller text below it. Below the header, there is a search bar containing the text "newword". A message below the search bar says "Looks like newword is not in the database. You can add it yourself [Here](#)". At the bottom, there is a form titled "Fill the form to add an entry to the library." with fields for "Your Name", "Word", and "Definition".

# How to edit your contributions

---

- ❖ If you are signed in, click on the pop-up menu on the top-left side of the home page, then click the “View or modify terms you added” button. You will be taken to another page. You will then be given the option of editing or deleting the word you submitted.

The screenshot shows a web application interface for managing words. At the top, there's a logo for "SALT" with a small icon above it, followed by the text "Pending Words". Below this is a header bar with the title "Transactional Database" and the sub-header "Pending Words". A "Dashboard" link is visible on the left. The main area contains a table with the following columns: "Edit, Approve, Delete", "Status", "Submitted by", "Word", "Definition", and "Tags". There is one row of data shown:

Edit, Approve, Delete	Status	Submitted by	Word	Definition	Tags
<a href="#">Edit</a> <a href="#">Delete</a>	New	tim	qq 11	q	

# How to create a flashcard deck

- ❖ If you are signed in, click on the pop-up menu on the top-left side of the home page, then click the “Create Flashcards” button. You will be taken to another page.
- ❖ You will then be given the option of typing a word into the search bar or selecting one from the drop-down list; once you do this, it will be added to your deck. You may click as many words as you would like, and if you click on the word a second time, it will be deselected.
- ❖ Once your selection is complete, press submit. You will then be taken to another page.
- ❖ To flip the flashcard over, click the text inside the top box.
- ❖ To proceed to the next card, click the “Next” button.

# How to reset your password

- ❖ If you click the “forgot password” button on the login page, a verification link will be sent to your ASU email address. Once you click on the verification link, you will be directed to a new page where you will be given the opportunity to enter a new password.
